Formulation of New Water Policy

†1347. SHRI RAJ MOHINDER SINGH:
DR. D. MASTHAN:

Will the Minister of WATER RESOURCES be pleased to state:

(a) whether Government have formulated a new water policy for the development of water resources in the country;

(b) if so, by when it is likely to be declared; and

(c) the priorities fixed by Government for the determination of the policy?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES SHRIMATI BIJOYA CHAKRAVARTY): (a) to (c) The National Water Board has reviewed the existing National Water Policy, 1987 and formulated an updated and revised draft National Water Policy for the development of Water Resources in the country. Some of the important areas/ aspects, proposed for inclusion in the new Policy, are inter-sectoral water allocations particularly for diverse uses of water, inter-State river water disputes, water sharing amongst States, multi-sectoral perspective and participatory approach towards resources planning and management, private sector participation and integration of quantity, quality and environmental aspects in the water resources management, resettlement and rehabilitation of project affected persons, mandatory operation and maintenance, funding and related policies for revenue generation and reforms related to legislations, institutions, incentives/disincentives, environment and technology, etc. under the Water Resources Sector. Declaration of the new National Water Policy depends on its adoption by the National Water Resources Council.

Cleaning of the Ganga

1349. DR. KARAN SINGH: Will the Minister of WATER RESOURCES be pleased to state.

(a) whether a major project for cleaning the Ganga was launched during the Prime Ministership of late Shri Rajiv Gandhi; and

(b) if so, the details thereof and the results achieved so far?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRIMATI BUOYA CHAKRAVARTY): (a) and (b) Yes, Sir. Ganga Action Plan, Phase-I was launched during the Prime Ministership of Shri Rajeev Gandhi in June, 1985. 261 schemes of pollution abatement of various categories such as interception, diversion and treatment of municipal wastewater, installation of crematoria, river front development works and low cost sanitation etc. were sanctioned at a cost of Rs. 462.04 crore in 25 class-"I" towns in the three States of Uttar Pradesh, Bihar and West Bengal. 258 schemes have since been completed which include 32 sewage treatment plants. The total expenditure incurred so far is Rs. 451.70 crore under this programme. With this, out of the 873 million litres per day of domestic waste water targeted
